

If there was as much enthusiasm about buying a little Fire Insurance (for the *Future's* sake) as there is in running to a fire—so many people wouldn't be "broke" when a fire "burns them out."

Morning on CHANGE

Improved prices on Pines and Oahu Land & Railway, and fractional gains in a few sugar stocks, as shown by the bids for the stocks this morning were the developments of the market this morning. The gains were not backed by strong demands, and as a consequence sales of any size or number were not made. The only deal reported was a small one by which five shares of Onomea went at 21.87 1/2, a fractional gain. Pines are steadily looking better. This morning 37.50 was asked for them with 36 bid. In the case of Oahu Land & Railway, 130 was bid, 135 asked, while only 128.50 was offered for it Saturday. Its last sale was at 115. The gain no doubt has been affected by the very good annual report which was read at the annual stockholders meeting today.

chauffeur. Through a mistake, the first warrant issued was for H. T. Hughes, but before it had been served the discovery of the mistake in identity was made and the warrant of arrest duly corrected. It is explained that Henry T. Hughes has not been connected in any way with the affairs leading up to the charges against the other man and is entirely innocent so far as the authorities are aware.

Here's a Conundrum for You

IS IT HOT IN HONOLULU?
The weather man says it isn't. Others say it is. So there you are. "You pays your money and takes your choice."

It's largely a matter of opinion. BUT THERE IS NO DIFFERENCE OF OPINION ABOUT THE WEATHER AT THE VOLCANO HOUSE.

It's bright and sunny, but—It's cool, bracing, snappy—52° to 58° at night and 68° to 72° at noon—the kind that makes life worth living and tramping a luxury, although horses and autos are there if you want them. Let the Waterhouse Trust Co. tell you all about the rates and connections.
